Second PU exam begins

Students making last minute revision before entering the exam hall.

Mysuru, Apr. 22 (RK&DM)- The Second PUC exams (2021-22) began today across the State, with students required to appear for the exam in their respective uniforms.

In Mysuru district, the exam is being held in 50 centres, with 26 centres in Mysuru city alone and the first day of the exam held for Logic and Business Studies subjects went off peacefully, with no untoward or malpractice incidents reported from any part of the district. The exam was held as per COVID guidelines and under CCTV surveillance at all centres.

Out of the 12,489 students, including freshers, repeaters and privately registered students who had registered for Business Studies subject, 11,946 attended, while 543 abstained. The City Police had clamped prohibitory orders under Section 144 CrPC in 200 mts. radius around all the exam centres for smooth conduct of the exam.

Also, all photocopy shops in the vicinity of the centres have been asked to shut down on all dates of the exam

Students were provided free KSRTC bus services to the exam centre, for which they were required to show their hall tickets. The Government has also set up a Helpline (080-23080864) for clearing any doubts or clarifications sought by the examinees. DDPUE D.K. Srinivasa Murthy visited several exam centres for monitoring the conduct of exam.

Fate of Devaraja Market, Lansdowne Building

Demolition not a right move: Pramoda Devi

'Protests will not happen if public opinion is honoured'

Mysuru, Apr. 22 (MTY&BCT)- Reiterating her opposition to the demolition of Devaraja Market and Lansdowne building, member of erstwhile Mysore royal family Pramoda Devi Wadiyar this morning said that the demolition was not a right move and goes against public opinion.

"Demolition does not hold good as Mysureans share an emotional bond with heritage structures. If the public is taken into confidence and their trust is earned, such protests will not take place," she said, referring to the protest march staged by Devaraja Market Tenants Association recently against the District Heritage Committee's recommendations to raze the two buildings and rebuild them that will look like heritage buildings.

EDITOR'S BOTTOMLINE

Paul Brunton, who visited Ramana Maharshi's ashram in 1931, placed before the latter two fundamental questions: Is it necessary to renounce the world and move to secluded jungles or mountains to realise the Truth? What method should be pursued to attain Self-realisation?...

Replying to the second question, the Maharshi said that the method of Self-inquiry is the simplest and direct method for Self-realisation... If you meditate on this question, said Ramana Maharshi, and "begin to perceive that neither the body and brain, nor desires are really you, then the very attitude of inquiry will eventually draw the answer to you out of the depths of your own being." Something else will spontaneously arise from behind your mind and take complete possession of you. That 'something' is the Pure Self — infinite, divine and eternal.

The mind, according to Ramana Maharshi, is a mere bundle of thoughts and has no concrete existence. Further, there can be no thoughts in the absence of the thinker, the ego. Through constant self-inquiry, when the seeker delves deep into the innermost recesses of his being, the ego gets dissolved and merges in Pure Consciousness. When this happens, the seeker attains the exalted state of Self-realisation.

Ramana Maharshi illustrated the process of annihilation of the ego by giving the example of the stick that is used in cremating bodies in the cremation ground. The stick that helps in pushing the bodies into the funeral blaze is itself in the end consumed by the same blaze. The stick is the ego and the blaze is the fire of jnana, Pure Consciousness, which abides in eternity and destroys ignorance. Therefore, the seeker who wishes to extricate himself from the vicious cycle of transmigration, "must retreat into his impregnable citadel" by realising his identity with the Pure, Immortal Self, the One Ultimate Reality.

Baby spider monkey with 'Batman' markings

Florida: Officials of Florida zoo announced the birth of a baby spider monkey with "unique markings" that make it appear the simian has the Batman symbol on its face. The Brevard Zoo said mother Shelley, 31, gave birth to the baby in the early morning hours of April 15 and the baby is now doing well in the exhibit with the rest of the troop, including father monkey Shooter, 25.

Zookeepers don't yet know the sex of baby, but they noted the primate has unusual facial markings. Keepers were surprised to see the baby's unique markings, noting the resemblance to the Batman symbol.

The zoo said the baby is currently on display with the rest of the spider monkey troop at the facility's Rainforest Revealed exhibit.

Iraqi man balances 18 eggs on back of his hand

Nasiriyha: An Iraqi man became a Guinness World Record holder by balancing 18 eggs on the back of his hand. Ibrahim Sadeq took on the record in Nasiriyha, Iraq, and managed to equal the one previously set by Jack Harris of Britain in May 2020.

Sadeq said he became fascinated by the art of balancing after watching a video of a man stacking rocks in nature.

He said that he started balancing stuff around him and discovered that he was really good at it. After a while, Sadeq claimed that he became even faster in balancing than the people he watched online

Sadeq practiced four days a week while preparing for his record attempt. Guinness rules required Sadeq to keep the eggs in place for at least five seconds without dropping any.

"I can't easily describe the secret behind the art of balancing, but what I can say is that it needs a lot of patience, focus and a sense of calmness," he said.

REALLY...?

- ***May 14 is National Buttermilk Biscuit Day.***
- ***May 29 is National Biscuit Day.***
- ***The Middle French word bescuit is derived from the Latin words bis (twice) and coquere, coctus (to cook, cooked), and, hence, means "twice-cooked". This is because biscuits were originally cooked in a twofold process: first baked, and then dried out in a slow oven.***
- ***The main difference between biscuits and rolls is the leavening agent. Biscuits use baking soda. Rolls use yeast.***

Bad roads in Vani Vilas Layout

Sir,

I would like to bring to the notice of the authorities concerned regarding the recent asphalting of a road in Vani Vilas Layout, Hebbal.

While the roads in whole of Vani Vilas Layout is in dire need of repairs, there is one particular stretch of road which is in extremely poor condition. A month ago asphalting work was carried out but only a partial stretch of the road was asphalted.

I wonder why this partiality? As you can see in the picture, one end of the road was asphalted while the other end of the same road which is completely worn out has not been asphalted. Despite raising this issue multiple times on WhatsApp, MCC e-mail, Janahita website and *Star of Mysore*, nobody has bothered to repair the road.

Ksheera Samriddhi Co-operative Bank will be started soon: Minister

Periyapatna, Apr. 22 (Veeresh& TRR) - Co-operation and District In-charge Minister S.T. Somashekar said that Ksheera Samriddhi Cooperative Bank is likely to start functioning in the next 15 days.

He was speaking after inaugurating the branch office of Federation of Mysuru District Co-operative Milk Producers' Societies' Union at its new building and also a cattle fair at Periyapatna Junior College Grounds on Tuesday.

"Chief Minister has a lot of love for the farmers of the State and hence announced the establishments of Ksheera Samriddhi Cooperative Bank (Milk Bank) in the budget the logo of which has already been released by Union Home and Co-operation Minister Amit Shah. The Bank will start functioning in the next 15 days after getting permission from Reserve Bank of India," he added.

Ruling out the merger of the proposed Bank with District Co-operative Central (DCC) Bank, the Minister said that producers of milk will be given all facilities for the overall development of both farmers and the co-operative sector.

Disclosing that there was a demand for re-introduction of Yeshasvini Scheme across the State, he said that efforts were on since 2-3 years for the implementation of the scheme.

"Now, the Chief Minister has announced re-introduction of Yeshasvini scheme, which was recently launched by Union Minister Amit Shah. The Government will re-introduce the scheme in the next 15-20 days, which will offer health protection to farmers and co-operatives," he said.

Lake rejuvenation

Somashekar assured that sincere efforts will be made to rejuvenate the lakes in Periyapatna region. "Already 70 percent of the lakes have been filled and steps will be initiated towards removing the obstacles. The Government has directed the local administration to purchase 10 acres of land initially to set up cattle feed manufacturing unit which will help local farmers apart from providing employment to youths. There are 15 Milk Federations in the State and it is good that the first Cattle Feed manufacturing unit is coming at Periyapatna resulting in the demand of maize and other food grains which will improve the financial conditions of the local farmers," the Minister said.

Four-lane road project

Mysuru-Kodagu MP Pratap Simha, who spoke on the occasion said that Periyapatna will see development activities in the coming days. A four-lane road project will soon begin and a sum of Rs. 50 lakh has been released for the overall development of Masanikamma Temple.

Periyapatna MLA K. Mahadev, who also spoke, said that the farmers of the taluk depend excessively on tobacco crop and if animal husbandry is given priority, it will help them greatly. He pointed out that some families have given importance to animal husbandry and observed that even during the difficult time of COVID-19 pandemic, Mysuru Milk Federation has protected the interests of farmers.

Mysuru District Co-operative Milk Producers' Societies' Union Ltd (MYMUL) President P.M. Prasanna said "Earlier, 40,000 litres milk was being produced in Periyapatna taluk, which has touched 1 lakh litres now. We intend to increase it to 2 lakh litres and 70 to 80 milk producing associations and 42 milk producing centres are working in this direction."

Hostel for girl students

There are plans start a cattle feed manufacturing unit and a hostel for 250 girl students, he said and added that the District Minister and the MP were fully cooperating.

Chamundeshwari MLA G.T. Devegowda, MYMUL Directors Somashekar, Mahesh, Eregowda, Omprakash, Animal Husbandry Department Deputy Director Dr. B.N. Shadakshara-murthy and others were present at the programme.

'K.R. Constituency roads to be made accident-free'

Mysuru, Apr. 22 (SBD&TRR)- MLA S.A. Ramdas has said that efforts are on to ensure that the roads of K.R. Constituency are safe and accident-free.

He was speaking after launching road development works at Ward numbers 52, 60 and 62 of his Constituency. To make the roads safe to drive and accident-free, about 250 kms of the total 421 kms in his Constituency has already been developed.

Ramdas performed *guddali puja* for road asphalting works from Jockey Factory to the road connecting Gurupadaswamy Main Road, development works Dr. B.R. Ambedkar Bhavan, Rajiv Gandhi Colony in Ward No. 60 and underground drainage works at Venkatalingaiah Layout in Ward No. 52.

Corporators Shanthamma Vadivelu, Chayadevi Naveen, BJP leader M. Vadivelu and other officials were present during the launch of works.

H.D. Kumaraswamy challenges Govt. to demolish unauthorised structures

Kumaraswamy

Mysuru, Apr.22 (RKB&DM)- Stating that he would give a list of illegal buildings in the State, former Chief Minister and top JD(S) leader H.D. Kumaraswamy challenged the Government to demolish them.

Addressing presspersons at a private hotel here yesterday, Kumaraswamy said there are demands from some quarters in the State after unauthorised structures of the culprits of communal violence were razed down in New Delhi. As such, he was willing to give a list of unauthorised and illegal structures in Mysuru, he said while wondering whether Prime Minister Modi or the State BJP leaders were prepared to demolish them.

Accusing the State Government of rolling out a red carpet for NICE (Nandi Infrastructure Corridor Enterprise) by giving it land, he alleged that now the State Government is buying back the same land by paying NICE company a whopping Rs.100 crore.

Holding Opposition Leader Siddharamaiah as being responsible for BJP coming to power in Karnataka, Kumaraswamy accused Siddharamaiah of repeatedly making false charges against him.

Charging the BJP Government in the State of being incapable to address problems of the people, he urged Chief Minister Basavaraj Bommai to give good administration instead of appeasing the BJP and RSS leaders in New Delhi.

Referring to the recent violence in Hubballi, Kumaraswamy said that he was supportive of confiscation of the properties of miscreants involved in vandalism. He also wanted the Government to act firmly against miscreants indulging in looting and arson.

Continuing his tirade against Siddharamaiah, Kumaraswamy said that the Opposition Leader had attempted to jail him when he was the Chief Minister heading the Congress Government. Contending that Siddharamaiah was more afraid of him (HDK) rather than the BJP, the JD(S) leader argued that is why the Opposition Leader was targeting him often.

MLA S.R. Mahesh and other party leaders were present.

MUDA reclaims encroached land worth Rs.100 crore

Mysuru, Apr. 22(RK&DM)- In an early morning operation on Thursday, the Mysuru Urban Development Authority (MUDA) reclaimed 6.13 acres of land that was encroached upon in Vijayanagar 3rd Stage of the city.

The MUDA in 1984 had acquired 6.13 acres of land coming under Hinkal Survey No.264, for formation of Vijayanagar third stage layout. But some people, after creating fake documents to claim ownership of land, had encroached upon the land by building unauthorised sheds. But the MUDA authorities, armed with the Court order and as well as supporting documents, cleared all encroachments on the land by demolishing sheds and reclaimed the land measuring 6.13 acres located near Basavaraj Circle in E Block of Vijayanagar 3rd Stage. The current market rate of the said land is about Rs.100 crore.

The operation was carried out as instructed by MUDA Commissioner Dr. D.B. Natesh and under the supervision of EEs Sunil and Mohan, AEEs K.R. Mahesh, Nagesh, Yadugiri, Ravindrakumar and Raghavendra and other officials.

Jayachamaraja Wadiyar's bust unveiled atop Chamundi Hill

Villagers pool in Rs. 8 lakh to honour the late ruler of Mysore; recall contributions

Mysuru, Apr. 22 (MTY&BCT)- The 3.5 ft. bust of Jayachamaraja Wadiyar (1918-1974) was unveiled atop Chamundi Hill this morning. The total height of the bust is six-and-a-half feet including the pedestal and the villagers of Chamundi Gram Panchayat pooled in Rs. 8 lakh for the statue, without using any Government grant.

The bust was inaugurated by Member of the erstwhile Mysore royal family Pramoda Devi Wadiyar in the presence of Chamundeshwari MLA G.T. Devegowda and Agriculture Minister B.C. Patil. Though Patil was not scheduled to attend the event, he stopped by on the way up the Hill to seek blessings of presiding deity Goddess Chamundeshwari. The Minister was in Mysuru to attend an event at Talur in Jayapura hobli.

Dedicating the bust of Mysore's 25th Maharaja, Pramoda Devi Wadiyar expressed happiness over the initiative taken by the villagers and recalled the special bond the Maharajas shared with the people, especially those who resided near the Chamundi Temple.

"The Wadiyars have always shared a special bond with the people and I am glad that today, people of Chamundi Hill have honoured Jayachamaraja Wadiyar out of the money collected from among themselves. The villagers have showered their love and respect and the royal family is indebted," she said.

Chamundi Hill Gram Panchayat President Bharath Kalaiah too said that Wadiyars have contributed immensely to the Mysuru region and the foundation stones of the development that are being witnessed now were laid by the Maharajas.

The bust has been installed in the park located opposite the Chamundi Hill Police Outpost and Gram Panchayat Office and it has been carved by Mysuru-based sculptor Surya Prakash, brother of noted sculptor Arun Yogiraj. The statue has been carved with black schist (Krishna Shile). Many villagers staying in the vicinity of the event venue came to the place and the function was celebrated as a village fair. Though the installation of the bust was proposed a year back, it became a reality only now. Many posed for photos and selfies after the event. Chamundeshwari Temple Executive Officer Yathiraj Sampathkumaran, Temple Chief Priest Dr. N. Shashishekar Dikshit and others were present.

"We need to save our heritage structures. There are two opinions here — while one technical committee has favoured retaining and restoration of the structures, the other committee has favoured demolition and reconstruction. The fact of the matter is that as the buildings are fit to be restored, the technical committee felt the same. This issue has to be discussed and a real team of conservationists and heritage experts have to take a call," Pramoda Devi said.

"I am again saying that HH Srikantadatta Narasimharaja Wadiyar (SDNR Wadiyar) Foundation is ready to take up the restoration works of both the Lansdowne Building and the Devaraja Market if the Government agrees. We have renovated the dilapidated Jaganmohan Palace Art Gallery and we are in the process of restoring Rajendra Vilas Palace atop the Chamundi Hill. Even that was in a bad shape and now it is being restored to its past glory," she noted.

Commenting on the demolition recommendations of the Heritage Committee, she said, "Everything (renovation and restoration) is possible if we try honestly. If we are determined to demolish them without even the technical and heritage experts and conservationists assessing the situation, it is a sad development. Public opinion and their sentiments must be honoured and this is a matter of this land's heritage and culture. Public should have a say," she added.

City top cop distributes display cards to auto drivers

Mysuru, Apr. 22 (RK&DM)- In yet another initiative for the benefit of auto passengers and auto drivers alike, the City Traffic Police are issuing QR Code-enabled display cards for auto drivers.

City Police Commissioner Dr. Chandragupta symbolically launched the drive by distributing the display card to a few auto drivers at his office in Nazarbad this morning.

Traffic ACP S.E. Gangadharaswamy and Inspectors of all Traffic Police Stations were present.

The display card will be distributed to all auto drivers coming under the five Traffic Police Stations in the city — Devaraja, Krishnaraja, Narasimharaja, Siddarthanagar and V.V. Puram.

The auto drivers have to produce their DL (Driving Licence), Autorickshaw Registration Certificate (RC), Fitness Certificate (FC), Aadhaar card and two passport size photographs for getting the display card before May 31, 2022. The display card has been made mandatory for display on all passenger autos with effect from June 1, 2022.

Legal action will be initiated under Section 84 (G) read with 192 (A) of Indian Motor Vehicles Act, against such drivers who ply autos without display card.

Run to remember Puneeth on May 1

Mysuru, Apr. 22 (MTY&SSM)- Department of Youth Empowerment and Sports (DYES), in association with Manav Trust, has organised a 5-km run to remember late actor Dr. Puneeth Rajkumar and to mark Labour Day with an awareness theme 'Go Green, Go Clean' on May 1.

Announcing this at a press meet at Chamundi Vihar Stadium this morning, DYES Assistant Director K. Suresh said that the run will be flagged off at 6.30 am from Chamundi Vihar Stadium and will pass through SP Office, Hardinge Circle, Kote Anjaneyaswamy Temple, New Sayyaji Rao Road, Kote Maramma Temple, Bengaluru-Nilgiri Road, Police Commissioner's Office, Nazarbad Circle and culminate at the starting point. District Minister S.T. Somashekar and former cricketer Javagal Srinath will be present.

Medical assistance will be provided by doctors from Narayana Hrudayalaya to the participants. There will be no entry fee and post-run breakfast will be arranged at the Stadium.

Trust Vice-President Vivek, Secretary Ujwal, Assistant Secretary Sachin and others were present at the press meet.

Native healing methods should be passed on to next generation: Health Minister

9th International Congress of Society for Ethnopharmacology held

Mysuru, Apr. 22 (RK&DM)- Advocating the need for passing on native healing methods to the next generation, Health and Medical Education Minister Dr. K. Sudhakar said that at the same time it is also important to properly document all medical research and innovations.

He was speaking after inaugurating the 9th International Congress of Society for Ethnopharmacology (SFE), India, organised jointly by SFE-India Mysuru Chapter, JSS College of Pharmacy, Mysuru and JSS Academy of Higher Education and Research, at Sri Rajendra auditorium in JSS Medical College campus here this morning.

Health and Medical Education Minister Dr. K. Sudhakar and Suttur Seer Sri Shivarathri Deshikendra Swamiji seen lighting the lamp to inaugurate the 9th International Congress of Society for Ethnopharmacology at Sri Rajendra auditorium in JSS Medical College campus here this morning as others look on.

Noting that the theme of the Congress, *'Redefining Ethnopharmacology for the global health and well being'* is very apt, Dr. Sudhakar said that there seems to be no herb which does not have a medicinal value.

Pointing out that even Western countries have started to look at India for medicinal research, he said that it is a matter of pride that India has been able to do wonders in the field of Pharmacology and Medicine.

Observing that it is an age old phenomenon to use natural substances to get relief from pain, the Minister said that in the past opium was used to treat cancer, while morpiums are used in treatment now. Maintaining that clove and its oil was commonly used for pain relief, Dr. Sudhakar said that ethanol, which has several properties is an active ingredient in clove.

Asserting that many people used *kashaya*, the traditional drink when the deadly COVID pandemic struck the world two years ago, the Minister said that neem, ginger and honey are the main ingredients of *kashaya* and it was found to have worked wonders for many people who consumed it. Stating that ancient Indians right from Indus Valley civilisation had herbal remedies for ailments, he said that with scientific advancements, modern medicine always looks for evidence and documents.

Observing that historical knowledge should not die along with the person who has it, Dr. Sudhakar said that the Government is providing necessary facilities and incentives for promoting such knowledge.

Maintaining that the world today is looking at organic food, natural medicines, yogic sciences etc., that are all Indian, for remedies, he said that proper documentation of all such research is the need of the hour.

Opining that India has a huge scope in health sector, Dr. Sudhakar, quoting WHO Director-General Dr. Tedros, said that while Indians go to the whole world, on the other hand, the entire world comes to India through AYUSH. Every person who has the right kind of knowledge about traditional medicines should be encouraged, he added.

Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji graced the occasion. Shekar Dutt, former Chhattisgarh Governor and former Defence Secretary, delivered the presidential address.

Dr. T. M. Pramod Kumar, SFE-22 Organising Chairman and Principal, JSS College of Pharmacy, SFEC-2022 Chairman of Scientific Services Dr. Pulok K. Mukherjee, Vice-President Indraneel Das, Secretary Dr. Subash C. Mandal, Organising Secretary Dr. K. Mruthyunjaya and others were present.

Biometric attendance system for State Health Department

Bengaluru, Apr. 22 (Agencies)- The Karnataka State Health Department will now release salaries of employees based on their attendance recorded thrice on the Aadhaar-Enabled Biometric Attendance System (AEBAS). There are 3,230 hospitals and offices under the Health Department with over 65,000 people as staff.

A circular to this effect has been issued yesterday and all Drawing and Disbursing Officers (DDOs) have been directed to release the salaries only on the basis of the employee's attendance recorded on AEBAS. This follows a direction by Health and Medical Education Minister Dr. K. Sudhakar, who reviewed the Department's functioning. "This move is to increase accountability and bring about a qualitative change in the Department," the Minister said.

Dr. Sudhakar said that he had received several complaints from elected representatives and members of the public that doctors and other staff were not available at hospitals and offices during working hours.

"The indiscipline of Government officials will impact delivery of public healthcare services. So, I have given instructions to cut the salary of those who were not present during working hours. All hospitals and other offices under the Health Department will be installed with AEBAS which will record the attendance based on the Aadhaar Card of the doctors, officers and staff," he added.

He stated that biometric attendance was stopped due to the pandemic but has again been made mandatory for the past two months. "This has been conveyed through several meetings and circulars. However, some staffers and officers still haven't been registering biometric attendance. Now, a proper warning and an order has been issued. If anyone fails to register biometric attendance, they will be marked absent and will receive a pay cut," he said.

The Minister said it is the responsibility of all DDOs to check all AEBAS records under their jurisdiction and submit a report on providing salaries to the concerned District Health Officer. They will examine the report and provide directions about releasing or withholding salaries. Higher officials will examine the attendance of DHOs, he said.

"If anyone is found to have less than 80 percent attendance, their payment will be withheld and further action will be taken. In case they have an attendance of 80 percent, the salary will be released and they will be questioned about the reason for the 20 percent absence and a notice will be served. If the reason for absence is genuine, the matter will be closed. In case, the information is false, a portion of the pay will be reduced from the next month's salary," the Minister explained.

If salaries are given without verifying the attendance, the DDOs will be held responsible and action will be taken against them. If the supervision is improper, action will also be taken against the DHO, he said.

"In the weekly review of the Health Department, a review about the attendance and salaries will also be taken. If there is any lacuna in the implementation of the new rule, strict action will be taken. The doctors, officials and staff have been instructed to register their attendance thrice a day. Separate times have been set for hospitals and offices," he said.

Ramzan Razzmatazz

Glimmer, garments, colours and crowds back at Meena Bazaar

By Shadan Muneer

Ramzan is here and along with it comes zeal and fervour that was subdued during the pandemic-hit last two years. Month-long prayers, piety and charity culminate with the celebration of Eid. The markets are already abuzz with hustle and bustle of shoppers, giggles, shimmer and shine and the sumptuous feasts of culinary delights line up the city streets.

Meena Bazaar's charm stands out in pulling the shoppers in hordes as the entire stretch on Sawday Road has its own significance. During the last 10 days of Ramzan it converts to a 24x7 market.

"After months of restrictions, business is gaining momentum. Ramzan mela has begun at Meena Bazaar which lasts for a month, and the traders are hoping for a revival and expecting business to go back to pre-pandemic times," says Nasiruddin Babu, Ex-Corporator and President (to be) of Meena Bazaar Merchants Association and Social Welfare Committee.

Every year, this season is enjoyed by people from all communities. Buyers from neighbouring districts too visit Meena Bazaar during Ramzan for bulk purchasing as options and varieties are available in abundance, he adds.

Crowds are increasing with each passing day and all the basic facilities have been arranged to benefit both customers as well as traders. "The place is cleaned everyday and vehicular parking on Sawday Road has been restricted for free movement of public. Parking arrangements have been made at Nizamia High School Grounds and the surroundings of Kantharaj Urs Park. Drinking water cans have been placed at every alternative shop and Police security has been provided.

Shopping with a free mind

Commenting on the Ramzan fervour at Meena Bazaar, Mohammed Saleem, Ward President of Meena Bazaar says, "The charm of Meena Bazaar is back to mark the Ramzan season after a gap of two years, the street comes alive especially in the night, bustling with shoppers who visit stores till late in the night. Now with all COVID restrictions being lifted, people are seen shopping with a free mind and the shopkeepers are more than happy to welcome them and do good business."

Glimmer, garments, colours and crowd is how one can define Meena Bazaar during this time of the festive season. Trendy jewellery to shiny outfits, customised embroidery to replicas of designer dresses, intricate borders to beautiful beads, natural perfumes to imported abayas everything is available here in different varieties at reasonable rates.

People hesitant to spend

Abdul Gaffar, co-owner of Sagar Traders, running his business in Meena Bazaar for the past 43 years, says, "Our business is yet to pick up and the number of customers have reduced. With the school admissions round the corner and rising inflation, people are hesitant to spend like before on shopping. Compared to the pre-COVID times, we have achieved only 10 to 15 percent of the business so far but I am hopeful that the crowds will pick up in the last two weeks of Ramzan."

The shop stocks up a variety of beads, laces and artificial jewellery-making material. "I am here to buy beads and decorative items as a wide variety is available here. The last two years were dull for all of us and even weddings were held in a simple manner. Now everything is picking up and getting back on track," remarks an excited Tamanna, a specialist in trousseau packing who was spotted shopping at Sagar Traders.

Festival mood all around

Commenting about the average sales, Mohammed Jaffer Sait, owner of Zam Zam Bazar, a fabric store trading from the past 27 years, says "The pandemic-imposed break has dealt a severe blow to all traders in Meena Bazaar. Our business has not even crossed 50 percent of what it used to be before. Financial constraints are a major challenge for both traders and consumers. However, the atmosphere has become nice with festival mood all around which is a good thing. I am hoping that the business will pick up in the last 10 days of Ramzan."

Syed Nooruddin, proprietor of Raja Bangles Fancy Store which has been functioning from the past 55 years, says, "This festive season I feel relieved as customers have started coming in. So far we have done average sales and I am expecting the rush to rise further closer to Eid and also with the upcoming wedding season I am hoping to witness bigger crowds to buy bridal bed-sets, trousseau trays and other fancy items."

Shakeel Pasha, owner of Facebook Boutique, a specialist in customising gowns, says, "I am happy that the business has started. It may take some more time to get back to the good old days and we need to accept this. All of us have incurred losses during lockdowns but the current situation demands us to accept whatever is coming. So far it's been pretty average but I am hopeful that there are better days ahead."

WORD OF THE DAY

Exculpate

Pronunciation: EK-skull-payt.
Meaning: Exculpate means "to clear from alleged fault or guilt."
Origin: Exculpate is the joining of the prefix ex-, meaning "not," and the Latin noun culpa, meaning "blame." Readers may be familiar with the Latin phrase mea culpa, which translates directly as "through my fault" and is used in English to mean "a formal acknowledgment of personal fault or error."
Example: "Napoleon's admirers exculpate the emperor by pointing to his transformation of civic life in France. They say that the 1804 Napoleonic Code deserves to be seen alongside other celebrated civic texts, such as the Magna Carta and the Declaration of Independence." — Leo Cendrowicz

THE ODD WORD

Echinate

Like a hedgehog; prickly.

PHRASE OF THE DAY

A slip of the tongue

Meaning: It means an error in speaking in which the speaker says something unintentionally.
Origin: Errors in speech and writing are common, and for this reason, it's not quite known what the origin of the idiom "a slip of the tongue" is. What is known is that the term is closely related to an earlier one, "slip of the pen," which dates to the 1650s; the idiom "slip of the tongue" became popular sometime around 1725.
Example: "Be careful talking to the police tomorrow; one slip of the tongue could get us into big trouble."

QUOTE BOX

Let your tongue speak what your heart thinks. **—Davy Crockett**

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

OD XII UMH JGTIY'Z X ZUXRH, O JXCU UG

GNHTXUH UMH UTXN YGGT.

TODAY'S CLUE: U EQUALS T

Yesterday's Cryptoquip: Don't rule out working with your hands. It does not preclude using your head.
